

### Support

Living with, or finding out a family member has a rare genetic disease such as TTR amyloidosis can be worrying and challenging, both physically and emotionally for your subjects. There are a number of patient groups who can also provide support and information:

#### Australia

Amyloidosis Australia [www.amyloidosis.com.au](http://www.amyloidosis.com.au)

#### Brazil

Associação Brasileira de Paramiloidose [www.abpar.org.br](http://www.abpar.org.br)

#### Canada

The Canadian Amyloidosis Support Network, Inc. [www.thecasn.org](http://www.thecasn.org)

#### Italy

La Società Italiana per l'Amiloidosi [www.amiloidosi.it](http://www.amiloidosi.it)

#### The Netherlands

Groningen Unit for Amyloidosis Research & Development (GUARD) [www.amyloid.nl](http://www.amyloid.nl)

#### Portugal

Associação Portuguesa de Paramiloidose [www.paramiloidose.com](http://www.paramiloidose.com)

#### Switzerland

Amyloidose PWAS [www.amyloidose.ch](http://www.amyloidose.ch)

#### United Kingdom

National Amyloidosis Centre [www.ucl.ac.uk/medicine/amyloidosis/nac](http://www.ucl.ac.uk/medicine/amyloidosis/nac)

#### United States

Amyloidosis Foundation [www.amyloidosisresearchfoundation.org](http://www.amyloidosisresearchfoundation.org)

Amyloidosis Support Groups [www.amyloidosisissupport.com](http://www.amyloidosisissupport.com)

Amyloidosis Support Network [www.amyloidosisissupportnetwork.org](http://www.amyloidosisissupportnetwork.org)

National Organization for Rare Disorders, Inc. [www.rarediseases.org](http://www.rarediseases.org)

The Rare Disease Community [www.inspire.com/groups/rare-disease](http://www.inspire.com/groups/rare-disease)
